

Holiday Strings

11 Great Favorites In Duet & String Orchestra Settings

arranged by Robert S. Frost

FORWARD

This collection contains eleven familiar holiday songs from divergent ethnic groups arranged in two performance formats: duet and string orchestra. These formats provide versatility and variety in meeting the performance needs of beginning level string orchestras. In the duet arrangements each instrument has the melody line and a harmony (duet) line. In the string orchestra arrangements each instrument has two parts that follow standard instrumentation and allow for various instrument combinations between upper and lower strings. Optional piano parts are included for duets and string orchestra and can be used to strengthen any type or size of ensemble.
