## TO THE DIRECTOR

Originally for small group, "Out The Window" is a lilting original in 3/4. Bass and drums set up the chart as the rest of the band trickles in. Piano and guitar join in at measure 9 and the rest of the band slowly begins their entrances around measure 21. By measure 33, everyone has made their initial entrances, creating a nice build up to the first statement of the theme in measure 45, which is carried by 1st Alto and 1st Tenor, as well as 1st & 2nd Trombone. 2nd Trumpet and guitar pick up the theme in measure 53 as the rest of the band has pad-like figures to propel the music forward.

The bridge at measure 67 features the saxophone section on the theme, joined by the trumpets four measures later in measure 71. Measure 89 is a feature for the saxophone section written in unison where the focus should be on articulating exactly together. Trombones add additional support through this soli which leads to the solo section at measure 111. Changes have been provided in the 1st Alto, 1st Tenor, 2nd Trumpet and 1st Trombone parts, as well as all of the rhythm section parts. Backgrounds can be played on the last time on each soloists or at the discretion of the director. Coming out of the solo section, the drums have a turn at soloing starting at measure 140. Measures 140-143 are intended to be open and on cue, the drum solo then continues at measure 144, ending at measure 159. Saxophones and trombones offer interjections behind the drum solo as a way to interact with the soloist.

Measure 160 begins the restatement of the theme, which includes moments for the baritone saxophone and trombones to carry the melodic theme starting at measure 175. The texture of the melody begins to dissolve towards the last 16 measures and finishes as we began, with just the rhythm section playing.

SoloMate recordings are available at [kendormusic.com](http://kendormusic.com) for new Kendor and Doug Beach releases.
