

Contest Solos For The Young Percussionist

18 grade 1-2 pieces for snare drum, timpani, and mallet percussion

by Murray Houllif

F O R E W O R D

The solos in this collection give the young percussionist an opportunity to perform on snare drum, two timpani, and mallet percussion instruments. They are appropriate for contest, recital, audition or pedagogy. Each of the six mallet percussion solos are playable on bells, xylophone, vibes or marimba. Roll indications are included for xylophone and marimba, no rolling is necessary on the sustaining instruments - bells and vibes. Mallet suggestions have been made for the timpani and mallet percussion solos, however feel free to experiment with mallets of different material/composition to hear the textures they produce.
