TO THE DIRECTOR

A catchy melody, blues based harmony and a driving rock groove combine to create a chart that is sure to be fun for both the band and the audience.

With the opening melodic line being eighth note oriented, it is important that the rhythm section establishes a solid tempo in the introduction. Once the groove is in place, the melody will come together quickly.

The shout chorus at measure 33 should be nice and full. Measure 45 may be opened up for solos (written or ad lib) with backgrounds cued as desired.

At measure 57, a solid sense of pulse from everyone will generate big returns. The drummer trades two measure solos with the ensemble beginning at measure 69. Measure 81 to the end will give the chart a strong finish.

SoloMate recordings are available at kendormusic.com for new Kendor and Doug Beach releases. This innovative resource lets students practice their solos by downloading professionally-recorded rhythm section accompaniment tracks. A full recording of this chart can be downloaded at www.kendormusic.com.
